

Overseer's Desk

Convention 2015 is now history and it's only eternity shall reveal the many blessings that were dispensed and received. For every blessing we are truly grateful and intentionally give praise. So many prayed and joined us weekly on the prayer line. So many labored and sacrificed and contributed, even behind the scenes, to make this event meaningful and worthwhile.

To all we express heartfelt thanks but most of all we remember to thank the Almighty for His active, dynamic presence which was felt throughout the course of the entire convention. Indeed many God moments were experienced! Together we declare to God be all the glory, great things He has done!

Visiting Massachusetts! New Beginnings - Dorchester, MA

On Sunday June 7, the rich blessing was indeed ours to visit with Pastor Maxie Fahie and the saints at New Beginnings. As the saints worshipped and praised there was such a spirit of rejoicing and expectancy in the atmosphere. Truly it was not difficult to preach and minister the Word in such a setting. We left there feeling uplifted, inspired and renewed. Pastor Maxie and Sister Carla, continue to serve and lead with joyful zeal and youthful energy – looking heavenward for favor and revival and a great harvest! We pray their strength in the Lord.

Milton Marches On!

From New Beginnings we traveled to Milton to be with Pastor Sidney Markland. Though the building in which we worshipped was badly damaged by the harsh winter – one could hardly tell by the exuberant worship and expressions of praise and joyfulness that filled the room that temporarily serves as Sanctuary. There remains a militant spirit of pressing on and moving forward while they wait for the insurance to settle their claims. As the word was proclaimed, the saints worshipped and received it with great fervor. Let us continue to pray for Milton that their sanctuary will be speedily repaired and renovated. God be praised for the imminent miracle! Hold fast saints at Milton!

SPRING VALLEY TENT REVIVAL – June 7th – 14th

Bishop Clarence Peters along with other pastors in the area launched their annual Tent Crusade on the parking lot of the Spring Valley community center. Attendance was quite good for the second night with many standing around on the outskirts being blessed by the great bi-lingual worship and praise dancing.

Various evangelists were inspired to bring the word each night! We continue to give praise for the wonderful witness this brought to the community!

ORGANIZED NEW CHURCH - Bridgeport, CT (French)

On Sunday June 14th, 2015 we were blessed to organize our first predominantly African Church here in the Northeast Region with 23 new members added by Covenant with quite a few more still to join hearts and fellowship with the Church of God of Prophecy. Almost every pastor from the Connecticut District was present at this exciting event and shared greetings and words of welcome to these our new brethren in the faith.

As a Regional body we enthusiastically welcome them and promise to do all we can to make them feel truly at home among us and to treat them not as strangers but as “fellowcitizens of the household of God.”

Congratulations to Bishop & Lady Hume on their 50th Wedding Anniversary

What a gala affair it was on Saturday, June 27th, 2015 when Bishop Cecil D Hume, Sr., and Lady Murna Celebrated their 50th wedding anniversary. Over five hundred people from far and near gathered at the Hartford church Family Worship Center to witness this remarkable couple renew their wedding vows. Following the ceremony was a lavish reception under the tent. In such a time when so many marriages quickly end in divorce and the very institution of marriage is seriously under attack, we enthusiastically salute Bishop and Lady Hume. May God’s grace continue to be displayed and triumph in the lives of this God-fearing couple! Wishing them many more happy years together!

Lady Chris and I would like you all to know just how much we appreciated the wonderful expression of love showed to us by the leaders and members of the Northeast Region at the recent Appreciation Service held in our honor. Mere words alone are inadequate to express how blessed and exceptional you made us feel!

We remain ever thankful, praying that the Lord shall allow us more opportunities to serve even more faithfully and diligently. It is our delight to serve and minister as God continues to give grace.

Special thanks to Lady Beckford and her team for putting this all together! Blessings always upon you, we look forward to seeing each of you as we travel across this great Region.
